Equine flooring

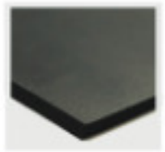

Stable Mats

19mm thick vulcanised recycled rubber:
- **4' x 6' (1219 x 1829mm)**
- **5' x 7' (1524 x 2133mm)**

100% non-absorbent, easy to clean, lays flat, slip resistant, uses less bedding, cushions & insulates

Walker Mats

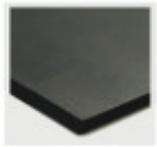

Supplied cut to size to suit your walker, ready to be installed.

The mats provide cushioning for your horse when using the walker, and also reduces wear on the ground.

Float Mats

12mm thick recycled vulcanised rubber with a flat finish:
- **4' x 6' (1219 x 1829mm)**
- **5' x 7' (1524 x 2133mm)**

New or replacement rubber for floors and walls

Wash Bay Mats

12mm thick grooved rubber mat:
- **5'2" x 7'(1575 x 2133mm)**

Allows sure footing while allowing water to drain away

Dome Mats

16mm traction surface mat:
- **4' x 6' (1219 x 1829mm)**

Great for foaling stalls, breeding stalls, tack rooms. Reversible for drainage, maximum traction, dome top / smooth bottom

Other Applications:

Tail Gate Mats

- **Standard (1500 x 1750mm)**
- **Truck Size (1200 x 2400mm)**

Rubber mat with moulded cleats plus a sawtooth between, to ensure maximum grip

Removes the need to have timber cleats

One piece mat
